WON.

Thank you to everyone who participated in this year's Chevron City to Surf for Activ

Last year, City to Surf for Activ participants raised nearly half a million dollars, benefiting 115 charities. And with over 40,000 people involved this year, the people of Perth have risen to the occasion once again to help those who need it most. We're honoured to have been the lead sponsor of the City to Surf event – and part of the community that makes it all possible. Learn more at chevronaustralia.com
